Jerry: "Yahoo Yahoo, we have finally got our voices back today after 20 years, now we can annoy Rickie with our voices twenty four seven".

Tom: "Yeah Jerry, I sure that Rickie is gonna love us even more".

Then Tom realised that Jerry was doing his usual business stealing food from his owners' refrigerator and so he rushed to the kitchen door and blocked the kitchen door with his whole body so that the mouse couldn't go in to steal some food.

Tom: “Hey, what do you think you’re going, just because you can talk now that doesn’t mean you can gain entry to this kitchen, so buzz off and keep out of this kitchen”.

Jerry: “Well, well Tom if you are not letting me gain entry to that Kitchen to get some food, let me wake Rickie up on purpose”.

Tom: “Oh don’t you dare do that, I’ll gonna get you this time”.

So Tom started chasing Jerry all over the hallway and upstairs breaking and wrecking most of the house objects until the cat and mouse duo accidentally ran into Rick and Ginger’s bedroom.

Ginger: “Hey boys, that’s enough now, I’m getting soaked here”

Then Ginger dried, groomed and dressed Tom and Jerry into their fancy suits for the thanksgiving day dinner party and then she gave Tom and Jerry a really important warning.

Ginger: “Alright boys, me and Rick had let you two join us in the Thanksgiving Day Dinner Party this year with friends, family and Rick’s parents but remember don’t say a single word or cause chaos during the dinner party tonight, do I make myself clear?”

Ginger: “It’s really nice to meet you both on such a special occasion today, please follow me into the kitchen”.

Rick and his dad decided to not help Ginger and watch the american football games on TV.

Rick’s Father: “Nope, I’m not coming into the kitchen to help yous ladies, I’m going to sit my own fat butt down and watch football with my son”.

Once Ginger and Rick’s Mother walked away into the kitchen, Rick’s Father and his son were watching the american football games on TV and having a talk to each other.

Rick’s Father: “Well Rick my boy, how is your life going for you?”

Rick started to stare over Tom and Jerry with anger which he really hated the cat and mouse duo.

Rick: “Uh uck, my life’s fudgy sucks, I hate my wife’s cat Tom along with his little kick side buddy named Jerry, which they started fudgy talking that their voices are starting getting in my fudgy nerves”.

Then Tom and Jerry stood in front of their owner, Rick with their sad puppy eyes, they started moaning at Rick.

Tom and Jerry: “But Rickie, we love you”.

Rick’s mother came into the living room to see Tom and Jerry after she heard them moaning sadly that she was going to take them into the kitchen to help her and Ginger prepare the thanksgiving dinner.

When the cat and mouse have put the mash potatoes into their fancy pants Tom and Jerry laughed out loud which Ginger will think that they had wetted their pants.

Tom and Jerry: “W000000W we’ve just pee our pants ha ha ha ha”.

Their grandmother laughed at Tom and Jerry’s comedy antics while their owner, Ginger didn’t find Tom and Jerry’s jokes funny.

Rick’s Mother: “ha ha ha ha good one, yous are really funny”.

Ginger: “No it’s not funny, please don’t encourage them”.

Rick’s Mother: “Oh uh, they’re good boys”.

Jerry: “Yes, we’re gonna be real good boys tonight, We’re gonna check on RICKIE”.

Scene 04: In The Living Room and Hallway:

Jerry: “Hey Rickie, Do you wanna see our new thanksgiving dance!”

Rick: “Oh my god, not these two again”.

Tom: “We love to call this dance, The Thanksgiving Thunderfoot!”

Then Tom and Jerry begin their thanksgiving dance in front of the TV, dancing left to right and then right to left sideways until Rick was getting really annoyed with the cat and mouse duo.

Rick: “Oh my god Tom and Jerry, can you boys fudgy move it because I’ve had enough with yous!”.

Rick’s Father: “Oh aw come on Rick, Tom and Jerry’s dance is fun, you need to relax a bit”.

Then Tom and Jerry heard the front doorbell ring that they started yelling with excitement.

Tom and Jerry: “WE GET IT!”.

Rick: “Yous don’t need to yell all the time”.

Once Tom and Jerry answered the front door it was their cousin duo Tori and Jeremy with their owners, also all of the other guests.

Tom: “Oh boy, oh boy it’s our two cousins Tori and Jeremy”.

Tori: “That’s.. Us Tori and Jeremy!”.

Then Tori and Jeremy ran into the living room to see their uncle that Rick wasn’t happy to see his cat and mouse nieces.

Tori and Jeremy: “Happy Thanksgiving Uncle Rickie!”.

Rick: “Well I also hate you too”.

5 minutes later... Tori and Jeremy decided to join in with Tom and Jerry's new comedy duo act scheme by pulling out their new ridiculous jokes and of course, annoy Rick. Tom, Jerry, Tori and Jeremy were standing in the Hallway talking about their next comedy act plan.

Tori and Jeremy: “Well Tom and Jerry, what's the plan for tonight?”.

Jerry: “Well girls, how about we make a huge fuss at the table during the Thanksgiving Dinner by refusing to eat whatever Ginger made for us and then we can beg Rick to order us some pizzas instead and besides I don't really fancy turkey tonight”.

Tori: “Oh aw Jerry, you're a fudgy genius, after all, me and my little sister fed up with the stupid old roast turkey every single year that it's bad enough having Turkey on Christmas Day besides if I have a choice of the main course at a restaurant I would go for the salmon fillets man”.

Tom: “Oh wow, I would go for the salmon fillets too Tori”.

Jerry: “Okay guys, just follow my lead and say something at the right appropriate time”.

Scene 05: In The Dining Room:

Everyone including Tori, Jeremy, Tom and Jerry were sitting around the big table in the dining room waiting for the main event

Rick: “Wow, the food is looking brilliant Ginger and mom”.

Everyone at the table was praying for all of the things they got throughout the year but when it was Tom and Jerry's turn to say something.

Tom and Jerry: “We're thankful for having our own voices back three months ago after 20 years”.

Rick: “Are you kidding me, I wish you boys could shut your mouths for two whole minutes”.

After everyone had prayed Ginger and Rick's Father brought in the main event, Roast Turkey.

Rick's Father: “Here Comes the main event, gobble gobble ha ha”.

Unfortunately Tori, Jeremy, Tom and Jerry started to put on their new comedy act by putting their noses up on the roast turkey that they started complaining about the dinner that they wanted pizza instead.

Tom: “Ah uh Yuck Ginger, I don't want turkey, I want pizza”.

Tori: “Me Too”.

Jeremy: “Me three”.

Jerry: “Me Four, besides I'm allergic to Turkey that if I have to eat this I'll end up vomiting and diarrhoea in the bathroom all night long, Perhaps I wanna be a Pizza Pilgrim”.

Then the two cat and mouse duo started yelling with excitement about being Pizza Pilgrims that it annoys Rick even more that he wanted to get rid of Tom and Jerry forever.

Tom, Jerry, Tori and Jeremy: “Pizza Pilgrims, Pizza Pilgrims, Pizza Pilgrims, Pizza Pilgrims, Pizza Pilgrims”.

Rick: "SHUT UP".

Rick's Father: "Look, Rick, If they want a pizza, let's order them some pizzas".

Rick wasn't liking the idea of ordering pizzas for Tori, Jeremy, Tom and Jerry and he started shouting at the two cat and mouse duos with anger.

Rick: "No, we're not ordering stupid pizzas on Thanksgiving, we're gonna eat Ginger's homemade Roast Turkey".

Then the two cat and mouse duos started moaning at Rick and Ginger.

Tom, Jerry, Tori and Jeremy: "But Rickie and Ginger, we don't wanna".

Rick's Mother: "I'll order some pizzas right now".

Then Rick's mother was going to order some pizzas on her smartphone until her son, Rick slapped her phone off her hand and he yelled

Rick: "NO!".

Rick's Father: "Hey, if you do that to your mommy again, you'll be having pea soup tonight you big bully".

Then Tori, Jeremy, Tom and Jerry started teasing Rick with laughter.

Tom, Jerry, Tori and Jeremy: "UH OH, RICKIE'S IN TROUBLE, RICKIE'S IN TROUBLE, RICKIE'S IN TROUBLE".

Rick: "SHUT UP, I'M NOT IN TROUBLE".

When Tori, Jeremy, Tom and Jerry have stopped teasing him, Rick said directly to Tom and Jerry with anger.

Rick: "I'M SO SICK AND TIRED OF BOTH OF YOUR TRASH TALK AND CHAOS FOR THE LAST SEVEN YEARS SINCE THIS REBOOT SHOW STARTED IN 2014 ESPECIALLY THE LAST THREE MONTHS SINCE YOU CAN TALK AND IT STARTED GETTING IN MY NERVES!".

After 10 minutes of Tori, Jeremy, Tom and Jerry ridiculous chaos at the Thanksgiving Dinner Party, Rick and Ginger were having about enough with Tom and Jerry's Chaos that they were going to kick them out.

Ginger: "Alright that's it Rick and I are having about enough with your ridiculous behaviour tonight that you boys had disobeyed my warning about to don't speak a single word but nope you have to cause chaos along with Tori and Jeremy, so for now on you will be sleeping on the streets or as less you would get a job somewhere to buy a hotel room rent because we'll no longer own our cat and mouse".

Ginger grabbed Tom and Jerry out of their seats and took them to the front door while Tori and Jeremy's owners told their own cat and mouse with anger

Tori and Jeremy's Owners: "Well as for you, how dare you girls took part in your cousins' naughtiness, Tori and Jeremy, you both are grounded until we say so and we're taking you home now".

Tori and Jeremy: "WHAT!, THAT'S NOT FAIR WE ALWAYS GET GROUNDED JUST FOR HAVING FUN WITH TOM AND JERRY!".

Meanwhile at the front door and Ginger was going to kick Tom and Jerry out of her house.

Tom and Jerry: "Oh aw, We're sorry, sorry sorry, we're sorry Ginger, can we have another chance?".

Ginger: “No, absolutely not, I've given you boys a chance to behave tonight but you blew it this time. I hope yous enjoy the big bad world on your own, GOODBYE.

Then Ginger slammed the front door shut on Tom and Jerry with anger.

As Tom and Jerry were pulling their own suitcases towards the front gate of their home which was no longer theirs no more.

Tom: "Oh aw Jerry, we've lost our only home, our beds, our food and most of all we've lost our love and attention".

Jerry: "Oh aw, why it has to be us who had been put into this situation in the first place and we're now homeless".

Tom: "I don't know maybe Rick and Ginger weren't the suitable owners for us but on the bright side Jerry, at least we still got each other. Come on pal let's get out of here and find our new home".

Scene 02: At Toodles' House

So Tom and Jerry began searching for their new forever home in Downieville but when they got to the first neighbour which was Tom's girlfriend, Toodles to ask her if they could stay for a night and Jerry rang the doorbell. Then Toodles came to the door with Butch kissing her that Tom was shocked with massive anger.

Tom: "What the heck are you playing at, Toodles I thought that I am the one for you but nope you have to cheat on me with that trash can cat Butch".

Toodles and Butch were shocked that Tom can speak now.

Toodles: "Well, well Thomas, you'd finally decided to talk now after such a long time ago but it's too late now because Butch is now my loving baby".

Then Jerry's girlfriend, Toots came to the front door with Muscles kissing her but Jerry was extremely angry at the fact Toots was cheating on him with his cousin Muscles.

Jerry: "Hey Toots, are you cheating on me with my cousin, Uh ah ah ah ah ah".

Toots: "Oh aw, I'm really sorry Jerry but your cousin is a million times better than you who decided to talk along with your old buddy Tom after a long time ago".

Unfortunately, Tom and Jerry were having none of it and they decided to leave to somewhere else to stay as Tom and Jerry started yelling at their own girlfriends which were no longer theirs no more.

Tom and Jerry: "That's it, we're leaving now and yous can FUDGE OFF!".

Toodles and Toots: "Well we do not care because Yous can fudge off too because you boys are kind of useless around here".

Scene 03: On The Streets Of Downieville:

After Tom and Jerry had been cheated on by Toodles and Toots, they continued searching for a place to stay but unfortunately, the cat and mouse duo had no luck at all that most of the neighbours in Downieville keep on saying...

Neighbour 1: "NO SORRY".

Neighbour 1 slammed the front door on Tom and Jerry.

Neighbour 2: "NO".

Neighbour 3: "AHHH, A MOUSE AT MY DOOR, YOUR ARE DISGUSTING CAT, NOT ALLOWED HERE".

Neighbour 3 slammed the front door on Tom and Jerry with fearful anger.

Neighbour 4: "NO".

Neighbour 5: "NO".

Neighbour 6: "NO WE DON'T LIKE ANNOYING TALKING CATS AND MICE IN OUR HOUSE, SORRY BYE".

Neighbour 6 slammed the front door on Tom and Jerry with anger. Sadly the poor cat and mouse haven't managed to get themselves a place to stay not just for one night that it's been the worst night for the both of them. So Tom and Jerry sat down on the edge of the path but the night began to get colder and colder.

Jerry: "Oh aw Tom, I'm really cold please help me".

So Tom put his own furry tail around Jerry to keep the mouse warm so that he can be happy again.

Tom: "Here ago Jerry, you are all nice, warm and wrapped up in my tail".

Jerry: "Oh aw thanks, you're the bestest pal I've ever had in my whole entire life".

Moments later.. There was an animal control catcher who came out of a van and he was tiptoeing closer and closer to Tom and Jerry that they didn't notice him yet.

Animal Control Catcher: "Oh yes, this is my chance to catch some animals tonight, ha ha ha ha ha ha, here comes the jackpot".

The animal control catcher had caught Tom and Jerry when the cat and mouse weren't looking and moments later Tom realised that they were caught in a net by someone and the catcher was taking them into his van to the kennels in Downieville that Tom and Jerry started screaming for help.

Tom and Jerry: "AHHH AHHH, HELP, HELP, AHHH AHHH, HELPI".

Then both Tom and Jerry had ended up stuck in a small cage in the animal kennels after that night.

ACT 2:

Scene 01: Inside The Animal Kennels In Downieville

Five months later... at the kennels in Downieville, Tom and Jerry were getting fed up being stuck in the small cage with other strangers animals that the cat and mouse sighed sadly

Tom: "Oh aw Jerry, I hate this dumb place that they love to call it the Jail cells for animals, I wish that there's a way out of here".

Next Jerry decided to look through his own suitcase to see there anything to cheer Tom up until the mouse came across a old leaflet of The Beautiful City Of Manhattan in New York City that it was still in his suitcase until today, So Jerry showed his leaflet to Tom with excitement,

Jerry: "Hey Tom look at this, I still have this leaflet of Manhattan City since I was a child when I went down to Manhattan City by myself while you were just lazing around on your bed by the fire".

Tom was annoyed that the cat thought Jerry's fact wasn't true about Tom having lazed around the house at that time.

Tom: "Hey you, I wasn't lazing around at that time, you had enough with me so you had buzzed off on a night trip to Manhattan by yourself".

Then Jerry went back in time and thought when he went to Manhattan City when he was a child in the cartoon "Mouse In Manhattan"

(Minute Animation Flashback: The scenes from Mouse In Manhattan When Jerry Travels To New York City)

After Jerry had gone back in time and thought about it the mouse was shocked about how great living in Manhattan City with Tom really is.

Jerry: "Wow, that trip to Manhattan City was very extraordinary for a mouse like me".

Tom: "Oh, why did you look so shocked Jerry?".

Jerry: "Oh aw Tom, when I went to New York City, the place was really beautiful like, honestly pal, you'll going to love it there because we're going to live in the big city of Manhattan in New York".

Tom started looking at the surroundings around him in the cage that they cannot get out of the cage and then he looked at Jerry.

Jerry: "Well?".

Tom: "Are you kidding me right now Jerry, we can't get out of this dumb cage".

Jerry ran to the cage happily, that the mouse was going to squeeze himself through the cage gaps to go to the controller room at the other side of the room to get Tom out.

Jerry: "Oh aw don't worry Tom, I'll squeeze myself out this jail cell cage and we'll be on our way to Manhattan City yahoo!".

So Jerry squeezed himself out of the cage and ran into the controller room but luckily the security guard who watches the animals was asleep. Once the mouse got into the controller room there were a lot of cage buttons that Jerry didn't know which button he wanted to press to get Tom out.

Jerry: "Uhm, which button to open our cage, uhm I really don't know. Do you know fudge it, I'm gonna get all of the animals out from those dirty jail cells".

As Jerry pressed every red button to free all of the animals from their cages, they all quietly escaped the kennels to their original homes.

All of the Dogs and Pups: "HOORAY, HOORAY WE'VE FINALLY ESCAPING FROM THOSE JAIL CELLS, THANKS TO JERRY THE MOUSE, HOORAY, HOORAY!"

Once all of the animals had escaped the kennels to their homes, Tom jumped out of his cage happily and then the cat realised that all of the cats, mice, snakes, hamsters and dogs had gone.

Tom: "Uhm, where is everybody?"

Jerry: "There's no time for questions Tom, let's get out of here before the catchers wake up!"

Then they made a run for it to escape the animal kennels without the security guards caught them escaping the kennels.

ACT 3:

Scene 01: Outside of The Animals Kennels:

Tom and Jerry had managed to get themselves out of Downieville Animal Kennels without them being caught. The cat and mouse duo felt really happy to be out from that cage in the kennels.

Jerry: "Hooray Hooray, we've escaped those dirty jail cells, there's no time to waste now Tom let's find some transport".

Moments later... Jerry saw a mail bus in the kennels car park and he overheard the mailman driver saying that he was going to Manhattan in New York City while Tom was dreaming about him and Jerry were relaxing on a first class flight to New York City with their mocktails.

Jerry: "Maybe perhaps we'll be taking the mail bus over there which will take us directly from Downieville to New York City".

But Tom started moaning at Jerry that he wanted to take a plane to New York City.

Tom: "Oh aw seriously Jerry, I thought we'll be taking the plane to Manhattan City".

Jerry: "Oh aw come on Tom, riding the mail bus is gonna be fun just you and me".

Tom: "Uck fine, we'll take the mail bus to Manhattan".

Scene 02: At The Mail Bus:

When the cat and mouse duo got to the mail bus, Tom wanted to sit in the back cargo along with all of the parcels.

Tom: "Hey Jerry, how about we sit in the back with the parcels that nobody will see us".

Unfortunately, Jerry disagreed with Tom's idea of sitting in the cargo back in a vehicle that the mouse knows that it's really unsafe to travel in the cargo of a vehicle.

Jerry: "No no, not so fast Tom, safety first besides there are no restraining harnesses in the cargo part, so we'll be much safer in the passengers part".

Tom: "Fine Jerry, let's ride in the back passenger seats then".

Then the cat and mouse duo climbed into the back passengers seats and Jerry quietly shut the bus door.

Scene 03: In The Back Passenger Seat:

Tom and Jerry sat on their seats comfortably for the long haul journey to New York City but Tom realised that Jerry was doing something with a black strap pulling it towards his body.

Tom: "Oh Jerry, what the heck are you doing with that strap".

Jerry: "Well, I was just buckling my seatbelt provided in this vehicle to keep myself safe".

Sound Effect: Seat Belt Click

Jerry: "Hey Tom, you better fasten your seatbelt because it's gonna be a long and bumpy van journey, most people say that your trip lasts longer if you Click Clack your seatbelt on every trip".

Then Tom started complaining to Jerry about having to wear his seatbelt that he felt grumpy about it and he was refusing to buckle up.

Tom: "Uck no way hosay, I'm wearing no seatbelt besides seatbelts are not for cats like me but you can wear your seatbelt if you want to, after all, a mouse wearing a seatbelt will not do any harm".

Jerry: "Well fine, it suits me if you got thrown about this mail bus you'll deny it later on".

Tom: "Uck fine, I'll put my stupid seatbelt on jeus, Jerry you're really a pain in the cookies".

So Tom pulled his seatbelt strap over his body as same as what Jerry did.

Sound Effect: Seat Belt Click

Jerry: "Here ago Tom, it's not so difficult to buckle up, right?".

Tom: "Uh Uck, shut up Jerry, you know that I absolutely hate wearing seatbelts".

Moments later...The mailman driver came back to his mail bus from his lunch from a diner and jumped into the driver's seat on the mail bus.

Mailman Driver: "Oh man, I sure that was a really great meal at the diner today, good value for money and now let's go to New York City, Manhattan to drop off all of my parcels".

Then the mailman started turning on the mail bus engine. When the mail bus started moving Tom and Jerry started cheering that they were on their way to Manhattan City.

Tom and Jerry: "Hooray, Manhattan City here we come and together Tom and Jerry will be living their new chapter in The Big City Of Manhattan".

Finally off the cat and mouse duo went on the motorway route directly to New York City in the mail bus but it's going to be a very long way until Tom and Jerry reach their new home, Manhattan City.
